

The Career Services Office would like to share with you the recent developments and events during the past few months, which has been a really busy and fruitful period for the office. We would also like to welcome the Weekend MBA 3 Class, who started their studies with us in January 2006.

#### Job postings

In the fourth quarter of 2005 altogether 54 vacancies were posted to our students in the Career Services shared folders or emailed to a specifically selected group of them. From this number only 16 mentioned the knowledge of Hungarian as a requirement, i.e. 38 postings were available to our non-Hungarian students. 44% of the non-Hungarian positions offered employment in Hungary, 22% in the region and 34% somewhere else in the world. The vacancies arrived from companies including **Korn/Ferry, KPMG, Publicis, Scale Consulting, GE, Pedersen & Partners, REC, OSI, IBM ISSC, QS Network, Red Bull, CVO Group and Asylum Telecom.**

#### Networking events

Our students were invited to participate at 24 professional and/or networking events, including BBJ Mixer, Viking Club, job fairs of BUTE and Corvinus, Resumé writing workshops and Unilever Presentations of the main CEU, Careers in Europe Forum in Berlin and the Challenges for Business International Conference in Riga.

#### Corporate Showcase

Ilona Jankovich, Managing Director of **ProfiPower** (recruitment firm) had a great and really informative Corporate Showcase in November.

Erno Duda, CEO of **Solvo Biotechnology** and President of Hungarian Biotechnology Association literally entertained us while teaching us the basics of biotechnology and informing us about current trends of this booming industry.

Zoltan Major, our MBA alumnus and COO Europe of **Genpact** (GE affiliate) held a really informative Showcase about Genpact and current vacancies.

#### Student consultations

78 consultations took place in the past few months, mainly focusing on rewriting and checking resumé as the primary focus for the quarter was the compilation of the Resumé Book. Some discussions were about a broader range of career related issues, such as cover letters, general career guidance and company/industry information. More in-depth career consultations will be coming up in the next two modules as attending one Career Consultation Session is an obligatory part of Business Communications as current, full-time students are advancing in their studies.

#### Resumé Books

The CEU Business School's Resumé Book 2006 (along with its CD version) was published mid-November, with resúmes of 72 current students: all full-time MBA17 students, along with the resúmes of 14 MSc and 9 Weekend MBA students who would like their profiles to be distributed regionally. The downloadable version of the Resumé Book CD will soon be available from our webpage - for the exclusive use of our headhunter and corporate contacts, from a password-protected page, which is available through the Career Services Office.

140 Resumé Books were sent out, mostly with our Christmas mailing to our corporate contacts, recruiters and headhunters. The list of the recipients can be found the Career Services shared folder - for the reference of our current students.

#### New Corporate Partnerships

Our new (or renewed) corporate contacts include several significant and important companies such as **GE Europe, Citigroup, Alexander Mann Solutions, Adecco Russia, General Motors Europe, Avantgarde Group, Mittal Steel Europe, CHR Consulting Romania, Softwin and Scale Consulting**, some of which have already sent us positions or would be glad to recruit our graduates in the near future.

#### Alumni Placement

Some more recent graduates informed us about their employment at **KPMG, Boston Consulting Group, Asylum Telecom** and **Lehman Brothers**, so our placement statistics are up to 82% (based on the info registered on Alumnet).

#### Current Students Placement

Here are companies that are in negotiation/interviewing our current students:

**GE Experienced Commercial Leadership Program**

**Citigroup**

**Euromonitor International**

**Hilti Corporation**

**EDS** (business and technology solutions)
